

TPC Sugarloaf is a private 27 hole golf club, located north east of Atlanta, in Duluth, Georgia. The course was built in 1997 and was the first course designed by Greg Norman.

The three 9-hole courses are called Stables, Meadows and Pines, with the championship course made up of Stables and Meadows which provides a par 72 of 7322 yards.

Acknowledgements:

- Greg Norman for his design.
- Linkster for providing the DEM download of the course and for the green contour details.
- Lez Marwick and/or McCoist for supplying the majority of grass textures used (I am responsible for changing the texture tones)
- Lez Marwick for his invaluable video tutorial.
- Daniel for his trees and plants (the vast majority of trees are newly purchased.)
- Sage for supplying me with pot bunker textures to modify.
- Adelaide for his ideas on mapping pot bunker walls which he made in one of his posts on the forum.
- François "LeWAW" Cristallo for his running water texture which he downloaded to APCD.
- Sketchup Textures, free textures library for 3D CG artists (sketchuptextureclub.com) for providing the textures that I used which didn't come from Lez's package.
