RULES OF PLAY

Rules of the ROYAL CANADIAN GOLF ASSOCIATION will govern all play except where modified by local rules.

Local Rules

• **Water Hazards** – A red stake or line designates a **lateral** water hazard. A yellow stake or line designates a **water hazard**.

• **Golf Carts** – Observe the 90 degree rule. That means that all carts must stay on paths until level with your ball, at which point you may cross to ball returning to pathway upon completion of shot. Stay outside chalk lines around greens. Obey all signs and keep off the tees. Carts must not be driven in the trees.

• **Paths and roadways** – Free drop.

• **Stop Slow Play** – You should average 15 minutes per hole with your total round taking no longer than 4½ hours.

• **Out of Bounds** – Defined by White Stakes.

• **Consideration of Other Players** – Players searching for a ball should signal the players behind to pass. After holing out, scores should be marked at next tee.

• **Dress** – Dress must be in keeping with the standards of this course. Bathing attire, cut-offs and short-shorts are not considered proper dress and are not condoned. Shirts and golf shoes must be worn at all times.

You are welcome to enjoy our clubhouse after your round
